## MAXIMILIAN DANIELS

B. 1991 • Australia

Maximilian Daniels is an Australian artist living and working in Sydney, NSW. Daniels practice focuses on observation, representation and technique through a slow layering of translucent pigments,

Daniels work centres around repeated processes and the materiality of painting; the mixing of colour, the delicate layering of surface and the application of gestural marks. His paintings develop as a response to his studio surrounds, particularly the interplay of light and glass.

Maximilian Daniels, *Full Span*, 2017, oil & rabbit skin glue on linen, 168 x 137 cm
